

Baguales ski tour.

North Patagonia.

Baguales is a mountain lodge located in the South east of San Carlos de Bariloche. Because of its altitude and location it brings very good snow conditions.

There are different important mountains in the area with multiple ski options and ski tours like Cerro Villegas and Cerro Ciruela. There are also ski options in Lengas forest.

The lodge also offers the opportunity of different smaller huts that can be connected depending on the tour decided to do.

For those interested in a more extensive tour of Patagonia, we offer a combination of the various programs offered by Patagonia Ascent.

Difficulty: low/Medium/high

Duration: 2 days.

Pax: 1 to 4 persons.

Recommended month: July to September.

Included: UIAGM/IFMGA mountain guide, technical equipment, GPS, communication: VHF and satellite comunicación. All meals in the hut.

Not included: skis, boots, safety gear (beacon, shovel, probe).

Program: day before departure we have a small meeting with the guide to finalize details and check necessary equipment.

Day 1: Early in the morning we will drive to the road that access Baguales property. From there we will be transferred to La mesada hut where we will leave all our extra gear. From there will start our ski tour and return in the evening for dinner.

Day 2: Early breakfast in the hut and we depart to do different tours and ascents that the area offers. In the afternoon we will come back to the hut and then we will come back to the parking area to return to Bariloche city.
